

Oil heating system service plan

Proven service
you can depend on.

Depend on Griffith Energy to keep your oil heating system running all year round.

Premier oil agreement with 24/365 coverage

This coverage provides you with:

- **24-hours-a-day, 7-days-a-week on-call access.**
There are no charges for service covered by this agreement when performed between 8am and 5pm. If you request service for arrival prior to 8am or after 5pm, or on federal holidays (days the post office is closed) or weekends, there will be a diagnostic fee, unless you have purchased the 24/365 option.
- **Free service visits** for repairs covered in your agreement by our authorized representative.
- **Efficiency tune-up** available at no additional cost. Customer requested tune-up may be scheduled between March 15 and September 30.
- **15% discount off regular rates** for any repair work not covered by your plan.

Basic oil agreement

This coverage provides you with:

- **24-hours-a-day, 7-days-a-week on-call access.**
There is no diagnostic fee when service is performed between 8am and 5pm. If you request service for arrival prior to 8am or after 5pm, or on federal holidays (days when post office is closed) or weekends, there will be a diagnostic fee.
- **Tune-up** available at no additional cost. Customer requested tune-ups must be scheduled between March 30 and September 1. This schedule will allow us to optimize response to your emergency needs during the heating system. Tune-up will be completed in accordance with manufacturers recommendation including parts specifically required for the tune-up only.
- **15% discount off regular rates** for any repair work not covered by your plan.
